Approximate pickup times will be provided during drop off at Dress Rehearsal. Parents are allowed to accompany their child to the downstage dressing room to get their student settled in, **but will be asked to leave during the dress rehearsal. No parents are allowed backstage or in the theater area at anytime.** Please respect this policy and do not try and sneak into the backstage area or theater, this will only prolong the time needed for our rehearsal. It is the parent's responsibility to have hair and makeup completed prior to arrival and dress their child into his/her first costume. DAC staff and many women volunteers will be in charge of looking after the students. We will run Act I from 12pm-2pm and Act II from 2pm-4pm. Act I arrive between 11:15-11:30, Act II 1:15pm-1:30pm. The finale run will be between Act I & Act II the day of dress rehearsal. If your child is only in Act I, please wait until we have run the finale before leaving. Students are allowed to have water only backstage, absolutely no FOOD OR BEVERAGES near the backstage!! Full hair, makeup and costumes will be worn for the rehearsal. Do NOT transport your child in his/her costume. Your child will not be allowed to leave the theater in their costume. Bring a change of clothes.
- **June 3rd - THE BIG DAY...AKA...The Recital!!!!** **The recital will start promptly at 6pm** and will be held at the Henegar Center in downtown Melbourne. Be sure your guests are aware of the prompt start time. All students are required to arrive no later than 4:45pm, except Creative Movement and Combo students arrive by 5pm at the latest. Students who would like to participate in a warm-up (all Level II, III, & IV classes required) need to arrive no later than 4:30pm. Costumes are to be put on at the theater, not at home. Absolutely, **NO COSTUMES** in the audience or lobby!!! Please bring a nice change of clothes for your child to change into after the performance. If students are seen wearing their costume in the lobby they will be asked to change immediately. This policy is in place to show a level of maturity and respect for the dance concert, absolutely NO EXCEPTIONS. Please do not argue with the backstage volunteers about this policy. All students are required to stay for the entirety of the show and participate in the finale. Every DAC student has worked extremely hard to display his or her talent, please wait till the end of the show to leave. There will be help backstage to ensure that your child has assistance in costume changes and hair mishaps. The backstage area will not be open to parents during the show time and all parents will be required to leave the downstairs dressing room by 5:15pm. This policy is in place so that parents are not entering and exiting during the show and disrupting audience members or the dancers on stage that have worked so hard to show their talents. There will be entertainment for your child during the show (DVD, coloring books etc...)

Please remind your guests to not enter and exit the theater during the show. It is disruptive to the dancers and presents a safety issue. Also, all video recording and photography (no FLASH) needs to be done from your seat. DO NOT move into the aisles OR hold devices at head level. Anyone seen doing this or using FLASH will be asked to leave the theater immediately. Safety of the dancers comes 1st
